Y12 Apprenticeship Presentation (PSHE)

Recently, Mr Daniel (our careers leader) delivered a presentation to Y12 as part of their PSHE and employability work.

You can view the video [here](#) and the accompanying PDF [here](#).

Although delivered for Y12, this is useful to other KS4/5 Year Groups, and we encourage any parents/carers of students considering apprenticeships to watch this presentation.

The [PARENTS PACK](#) from Amazing Apprenticeships is updated monthly and contains lots of information. In addition to apprenticeships, the document also has information other training routes such as the new T levels; not to mention general employability and application skills and support.

The Amazing Apprenticeships website is worth a visit too, it tends to be favoured by the Local Authority when it comes to apprenticeships advice and support (the [vacancy snapshot](#) is really good).

There are loads of other great websites when it comes to apprenticeships/employability. Click on the images below to view some of our favourites! **These are especially good for Y13 leavers!**
