1. Aims and objectives

Our special educational needs and disabilities (SEND) policy aims to:

- Make sure our school fully implements national legislation and guidance regarding pupils with SEND
- Set out how our school will:
 - Support and make provision for pupils with special educational needs and disabilities
 - Provide pupils with SEND access to all aspects of school life so they can engage in the activities of the school alongside pupils who do not have SEND
 - Help pupils with SEND fulfil their aspirations and achieve their best
 - Help pupils with SEND become confident individuals living fulfilling lives
 - Help pupils with SEND make a successful transition into adulthood
 - Communicate with pupils with SEND and their parents or carers and involve them in discussions and decisions about support and provision for the pupil
- Explain the roles and responsibilities of everyone involved in providing for pupils with SEND
- Make sure the SEND policy is understood and implemented consistently by all staff.

2. Vision and values

At Huntington School, we have a clear vision of the school we aspire to be – a safe, inclusive and welcoming community that everyone feels proud to be part of.

The quality of teaching from our subject experts, combined with an inclusive and individualised pastoral care system, supports our students to secure the very best outcomes in their education. Huntington School is an inclusive school, striving to meet the needs of all learners. We aim to remove or reduce barriers to learning, providing a safe and welcoming environment where every child can thrive and achieve. The guiding principle informing this policy is to ensure that children and young people with SEN and disabilities are given equal opportunities to thrive at Huntington School, to make good progress in their learning and to feel valued as members of the school community. We have the highest expectations of students no matter their starting point and a relentless focus on our core values of **Respect, Honesty and Kindness**.

The policy detailed below describes how every effort will be made to include a student with special educational needs or disability and provide for their individual needs. We will follow the guidance as laid down by the Special Educational Needs and Disability Code of practice 0-25 (September 2014) and use our best endeavours to ensure that staff at school are competent in identifying and providing for the individual needs of a child, enabling access to a full and balanced curriculum. We will make all reasonable adjustments to enable all students to thrive in a truly accessible school. Our vision is for every SEND child to “achieve at school, and make a successful transition to adulthood, including finding paid work, living independently and participating in their community” (Children and Families Act 2014).

Huntington School SEND Policy is underpinned by our whole school vision and values.

Huntington School – Vision & Values

Huntington School

Learn and succeed

Our core values: **Respect, Honesty & Kindness**

Our school is a **safe, inclusive and welcoming** community that everyone feels proud to be a part of.

We hold **high ambition, positive relationships** and **mutual respect** at the core of our school culture.

Our school develops **confidence, resilience** and **independence** for all by delivering a high-quality, **evidence-informed education**.

We celebrate our achievements, learn from our mistakes and support each other to be responsible and hardworking citizens.

3. Legislation and guidance

This is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND
- [The Special Educational Needs and Disability Regulations 2014](#), which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEND coordinators (SENDCOs) and the special educational needs and disability (SEND) information report
- The [Equality Act 2010](#) (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities
- The [Public Sector Equality Duty](#) (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
- The [Governance Handbook](#), which sets out governors' responsibilities for pupils with SEND
- The [School Admissions Code](#), which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

4. Inclusion and equal opportunities

At our school we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

We will achieve this by making reasonable adjustments to teaching, the curriculum and the school environment to make sure that pupils with SEND are included in all aspects of school life.

5. Definitions

5.1 Special educational needs

A pupil has SEN if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

5.3 The 4 areas of need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

| AREA OF NEED | |
|--|---|
| Communication and interaction | <p>Pupils with needs in this area have difficulty communicating with others. They may have difficulty understanding what is being said to them, have trouble expressing themselves, or do not understand or use the social rules of communication.</p> <p>Pupils who are on the autism spectrum often have needs that fall in this category.</p> |
| Cognition and learning | <p>Pupils with learning difficulties usually learn at a slower pace than their peers.</p> <p>A wide range of needs are grouped in this area, including:</p> <ul style="list-style-type: none">• Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia• Moderate learning difficulties• Severe learning difficulties• Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment |
| Social, emotional and mental health | <p>These needs may reflect a wide range of underlying difficulties or disorders. Pupils may have:</p> <ul style="list-style-type: none">• Mental health difficulties such as anxiety, depression or an eating disorder• Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder• Suffered adverse childhood experiences <p>These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated.</p> |

| AREA OF NEED | |
|--------------------------------|---|
| Sensory and/or physical | <p>Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided.</p> <p>Pupils may have:</p> <ul style="list-style-type: none">• A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment• A physical impairment <p>These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers.</p> |

6. Roles and responsibilities

6.1 The SENDCO

The SENDCO at our school is Mr. Warren Lowe. You can contact the SENDCO via email at w.lowe@huntington-ed.org.uk.

The SENDCO is supported in the leadership of the learning support department by an Assistant SENDCO, Gareth Stewart, who is also in charge of in-class Teaching Assistant deployment and Examination Access Assessments. Deborah Wharram is the Higher-Level Teaching Assistant in charge of interventions and support outside the classroom.

They will:

- Inform any parents that their child may have SEN and then liaise with them about the pupil's needs and any provision made
- Work with the headteacher and SEN governor to determine the strategic development of the SEND policy and provision in the school
- Have day-to-day responsibility for the operation of this SEND policy and the co-ordination of specific provision made to support individual pupils with SEN, including those who have EHC plans
- Provide professional guidance to colleagues and liaise and work with staff, parents, and other agencies to make sure that pupils with SEN receive appropriate support and high-quality teaching
- Advise on the graduated approach to providing SEN support and differentiated teaching methods appropriate for individual pupils

- Advise on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- Be a point of contact for external agencies, especially the local authority (LA) and its support services, and work with external agencies to ensure that appropriate provision is provided
- Liaise with potential next providers of education to make sure that the pupil and their parents are informed about options and that a smooth transition is planned
- When a pupil moves to a different school or institution: Make sure that all relevant information about a pupil's SEN and the provision for them are sent to the appropriate authority, school or institution in a timely manner
- Work with the headteacher and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Make sure the school keeps its records of all pupils with SEND up to date and accurate
- With the headteacher, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- With the headteacher, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- Prepare and review information for inclusion in the school's SEN information report and any updates to this policy
- With the headteacher and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching

6.2 The governing body

The governing board is responsible for making sure the following duties are carried out, though the duties can be delegated to a committee or an individual:

- Co-operate with the LA in reviewing the provision that is available locally and developing the local offer
- Do all it can to make sure that every pupil with SEND gets the support they need
- Make sure that pupils with SEND engage in the activities of the school alongside pupils who don't have SEND
- Inform parents when the school is making special educational provision for their child
- Make sure that the school has arrangements in place to support any pupils with medical conditions
- Provide access to a broad and balanced curriculum
- Have a clear approach to identifying and responding to SEND

- Provide an annual report for parents on their child's progress
- Record accurately and keep up to date the provision made for pupils with SEND
- Publish information on the school website about how the school is implementing its SEND policy, in a SEN information report
- Publish information about the arrangements for the admission of disabled children, the steps taken to prevent disabled children being treated less favourably than others, the facilities provided to assist access of disabled children, and the school's accessibility plans
- Make sure that there is a qualified teacher designated as SENCO for the school and that the key responsibilities of the role are set out, and monitor the effectiveness of how these are carried out
- Determine their approach to using their resources to support the progress of pupils with SEND
- Make sure that all pupils from year 8 until year 13 are provided with independent careers advice

6.3 The SEND link governor

The SEND link governor is Mr. George Edmond

The SEND governor will:

- Help to raise awareness of SEND issues at governing body meetings
- Monitor the quality and effectiveness of SEND provision within the school and update the governing body on this
- Work with the headteacher and SENDCO to determine the strategic development of the SEND policy and provision in the school

6.4 The headteacher

The headteacher will:

- Work with the SENDCO and SEND link governor to determine the strategic development of the SEND policy and provision within the school
- Work with the SENDCO and school governors to make sure the school meets its responsibilities under the Equality Act 2010 with regard to reasonable adjustments and access arrangements
- Have overall responsibility for, and awareness of, the provision for pupils with SEND, and their progress
- Have responsibility for monitoring the school's notional SEND budget and any additional funding allocated by the LA to support individual pupils
- Make sure that the SENDCO has enough time to carry out their duties
- Have an overview of the needs of the current cohort of pupils on the SEND register

- Advise the LA when a pupil needs an EHC needs assessment, or when an EHC plan needs an early review
- With the SENDCO, monitor to identify any staff who have specific training needs regarding SEN, and incorporate this into the school's plan for continuous professional development
- With the SENDCO, regularly review and evaluate the breadth and impact of the SEND support the school offers or can access, and co-operate with the LA in reviewing the provision that is available locally and in developing the local offer
- With the SENDCO and teaching staff, identify any patterns in the school's identification of SEN, both within the school and in comparison with national data, and use these to reflect on and reinforce the quality of teaching

6.5 Class teachers

Each class teacher is responsible for:

- Planning and providing high-quality teaching that is differentiated to meet pupil needs through a graduated approach
- The progress and development of every pupil in their class
- Working closely with any teaching assistants or specialist staff to plan and assess the impact of support and interventions, and consider how they can be linked to classroom teaching
- Working with the SENDCO to review each pupil's progress and development, and decide on any changes to provision
- Ensuring they follow this SEND policy and the SEN information report
- Communicating with parents regularly to:
 - Set clear outcomes and review progress towards them
 - Discuss the activities and support that will help achieve the set outcomes
 - Identify the responsibilities of the parent, the pupil and the school
 - Listen to the parents' concerns and agree their aspirations for the pupil

6.6 Parents or carers

Parents or carers should inform the school if they have any concerns about their child's progress or development.

Parents or carers of a pupil on the SEND register will always be given the opportunity to provide information and express their views about the pupil's SEND and the support provided. They will be invited to participate in discussions and decisions about this support. They will be:

- Invited to regular meetings to review the provision that is in place for their child

- Asked to provide information about the impact of SEN support outside school and any changes in the pupil's needs
- Given the opportunity to share their concerns and, with school staff, agree their aspirations for the pupil
- Given an annual report on the pupil's progress

The school will consider the views of the parent or carer in any decisions made about the pupil.

6.7 The pupil

Pupils will always be given the opportunity to provide information and express their views about their SEND and the support provided. They will be invited to participate in discussions and decisions about this support. This might involve the pupil:

- Explaining what their strengths and difficulties are
- Contributing to setting targets or outcomes
- Attending review meetings
- Giving feedback on the effectiveness of interventions

The pupil's views will be considered in making decisions that affect them, whenever possible.

7. SEND information report

The school publishes a SEND information report on its website, which sets out how this policy is implemented in the school.

The information report will be updated annually and as soon as possible after any changes to the information it contains.

The information report can be found here:

[Huntington School SEND Information Report 2023-24](#)

8. Our approach to SEND support

8.1 Identifying pupils with SEND and assessing their needs

We will assess each pupil's current skills and levels of attainment when they start at the school. This will build on information from previous settings and Key Stages, where appropriate. We will also consider any evidence that the pupil may have a disability and if so, what reasonable adjustments the school may need to make.

Class teachers will regularly assess the progress of all pupils and identify any whose progress:

- Is significantly slower than that of their peers starting from the same baseline
- Fails to match or better their previous rate of progress

- Fails to close the attainment gap between them and their peers
- Widens the attainment gap

This may include progress in areas other than attainment, for example, wider development or social needs.

When teachers identify an area where a pupil is making slow progress, they will target the pupil's area of weakness with adapted, high-quality teaching. If progress does not improve, the teacher will raise the issue with the SENDCO to have an initial discussion about whether this lack of progress may be due to a special educational need. Where necessary they will, in consultation with the pupil's parents or carers, consider consulting an external specialist.

Student underachievement does not necessarily mean they have a special educational need. This can be caused by a whole range of factors, including but not exclusive to:

- attendance and punctuality issues,
- friendship issues
- anxiety over a personal issue,
- frequent changes of school,
- bullying,
- bereavement
- English as an additional language (EAL)

It is the school's responsibility, in partnership with parents / carers, to identify reasons for a lack of progress quickly and to ensure that appropriate interventions are put in place to support these students and help them catch up.

When deciding whether the pupil needs special educational provision, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.

If a pupil is joining the school, and:

- Their previous setting has already identified that they have SEN
- They are known to external agencies
- They have an education, health and care plan (EHCP)

then the school will work in a multi-agency way to make sure we get relevant information before the pupil starts at school, so support can be put in place as early as possible.

Wherever possible, the SENDCO will attend Year 6 Annual Reviews of SEND students with Education Health & Care Plans (EHCP).

Transition for students with SEND from Primary to Secondary school will be carefully planned. Students with additional needs will be offered bespoke additional transition plans in order to best support their transition.

Pupil transfer data, including Key Stage 2 SATs results will be used to identify students in Year 6 who may be struggling to attain age expected standards. These students will be discussed with the SENDCo in feeder primary schools, with barriers to learning identified.

Reading age testing is carried out early in Year 7 for all pupils, along with Cognitive Ability Tests (CATs). The data from these assessments are used to set realistic and challenging targets for all students.

Teaching and support staff identify pupils causing concern who may require additional support through their day-to-day dealings with them.

The SENDCO attends every Student Progress Senior Leadership Team meeting (SPSLT) in which all students causing concern are raised.

Parents and carers are encouraged to contact the Learning Support Department if they have concerns about the progress of their child. The SENDCo attends every parents' evening and their availability is flagged to parents for drop-in meetings.

8.2 Consulting and involving pupils and parents

The school will put the pupil and their parents at the heart of all decisions made about special educational provision.

When we are aiming to identify whether a pupil needs special education provision, we will have an early discussion with the pupil and their parents. These conversations will make sure that:

- Everyone develops a good understanding of the pupil's areas of strength and difficulty
- We take into account any concerns the parents have
- Everyone understands the agreed outcomes sought for the child
- Everyone is clear on what the next steps are

Notes of these early discussions will be added to the pupil's record and given to their parents.

We will formally notify parents if it is decided that a pupil will receive special educational provision.

8.3 The graduated approach to SEN support

Once a pupil has been identified as having SEN, we will take action to remove any barriers to learning and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach:

1. Assess

The pupil's class teachers, and the SENDCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents will be taken into account. The school may also seek advice from external support services.

The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention or adaptation in teaching strategies.

2. Plan

In consultation with the parents and the pupil, the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.

All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on our management information system and will be made accessible to staff in a **learning support plan**.

Parents will be fully aware of the planned support and interventions and may be asked to reinforce or contribute to progress at home.

3. Do

The pupil's subject teachers retain overall responsibility for their progress.

Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.

The SENDCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

4. Review

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:

- The views of the parents and pupils
- The level of progress the pupil has made towards their outcomes
- The views of teaching staff who work with the pupil

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents.

8.4 Levels of support

School-based SEN provision

Pupils receiving SEN provision will be placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach. Where the pupil's needs cannot be

adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.

The provision for these pupils is funded through the school's notional SEND budget.

On the census these pupils will be marked with the code K.

Education, health and care (EHC) plan

Pupils who need more support than is available through the school's school-based SEN provision may be entitled to an EHC plan. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.

The provision for these pupils will be funded from the school's notional SEND budget, and potentially from the LA (from the high-level needs funding block of the dedicated schools grant).

On the census these pupils will be marked with the code E.

Ordinarily Available Provision

The provision offered at Huntington School is consistent with the approaches and resources that all mainstream education settings in York will provide for children and young people with SEND. This is outlined on the [York Local Offer](#) website in the document titled [Ordinarily Available Provision 2023-2024](#).

Examination Access Arrangements

Access Arrangements for GCSE and A-Level examinations are organised jointly by the SENDCO and the Assistant SENDCO/Examinations Access Assessor, in partnership with the School's Examinations' Officer.

Access Arrangements allow a student with special educational needs, disabilities or temporary injuries to 'access the assessment - show what they know and can do without changing the demands of the assessment' (JCQ, 2023). The intention behind an Access Arrangement is to meet the needs of an individual without affecting the integrity of the assessment. Access Arrangements can only be applied for if the candidate meets all the following criteria:

- They must be disabled within the meaning of the Equality Act 2010.
- The Access Arrangement/s being applied must be their normal way of working.
- Their disability is persistent and significant.
- There must be evidence of the students' current difficulties and how they substantially impact teaching and learning in the classroom.

Teaching staff must provide evidence of student needs and the provision of reasonable adjustments they have facilitated within the classroom. Written confirmation, via the school referral system a, must be provided to say that without Access Arrangements, the student may be at a substantial disadvantage. Thereafter, the SENDCO, supported by allocated members of the SEND Team, will assess the referral, and consider suitability.

More information around the regulations for Access Arrangements can be found here:

[JCQ Access Arrangement and Reasonable Adjustments 2023](#)

8.5 Evaluating the effectiveness of SEN provision

We evaluate the effectiveness of provision for pupils with SEN by:

- Tracking pupils' progress, including by using provision maps
- Carrying out the review stage of the graduated approach in every cycle of SEN support
- Using pupil voice
- Monitoring by the SENDCO and members of the Learning Support team
- Carrying out learning walks and pupil observations
- Holding annual reviews for pupils with EHC plans
- Getting feedback from the pupil and their parents

9. Expertise and training of staff

The school SENDCO has over 10 years' experience as a SENDCO. The SENDCO has qualified in the Post Graduate Certificate in SEN Coordination.

Training will regularly be provided to teaching and support staff. The headteacher, SENDCO and wider senior leadership team will continuously monitor to identify any staff who have specific training needs and will incorporate this into the school's plan for continuous professional development.

Training needs may also be identified by a change in a pupils SEND. This will lead to training being provided for the appropriate members of staff who work with the pupil(s).

10. Links with external professional agencies

The school recognises that it won't be able to meet all the needs of every pupil. Whenever necessary the school will work with external support services such as:

- Specialist teachers or support services from York City Council
- Educational psychologists

- Occupational therapists, speech and language therapists or physiotherapists
- General practitioners or paediatricians
- Specialist Careers Advisor for students with an EHCP
- NHS colleagues including the school nursing team
- Child and adolescent mental health services (CAMHS)
- Social services
- Wellbeing in Mind
- School Wellbeing Support Workers
- Police Community Support Officer
- SENDIASS

11. Admission and accessibility arrangements

11.1 Admission arrangements

For admission arrangements please see the school admissions policy and general admissions arrangements on the school website and in the school prospectus. Huntington School does not discriminate against students with disabilities in admissions or in practice.

For further independent advice regarding admissions for students with an EHCP. We recommend you look here: <https://www.ipsea.org.uk/choosing-a-schoolcollege-with-an-ehc-plan>

11.2 Accessibility arrangements

For accessibility arrangements please see the school [Accessibility Plan](#).

12. Complaints about SEND provision

Initially, if you need advice or need to express some concerns you should make direct contact with the SENDCO, Mr Lowe, at school, who will endeavour to resolve any difficulties. If the matter is still unresolved contact the Headteacher, Mr. Smith and arrange to meet with him. If you are still concerned, then a complaint should be made to the Chair of Governors.

Please see the school [Policy on Complaints Procedures](#) for further guidance.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEN Code of Practice](#).

13. Monitoring and evaluation arrangements

13.1 Evaluating the effectiveness of the policy

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

We will evaluate how effective our SEND provision is with regards to:

- All staff's awareness of pupils with SEND at the start of the autumn term
- How early pupils are identified as having SEND
- Pupils' progress and attainment once they have been identified as having SEND
- Whether pupils with SEND feel safe, valued and included in the school community
- Comments and feedback from pupils and their parents

13.2 Monitoring the policy

This policy will be reviewed by Mr Warren Lowe **every year**. It will also be updated when any new legislation, requirements or changes in procedure occur during the year.

It will be approved by the full governing board.

14. Links with other policies and documents

This policy links to the following documents:
