HUNTINGTON SCHOOL SIXTH FORM OPEN EVENT INVITATION THURSDAY 21ST NOVEMBER 2024 6.00pm - 8.00pm

Ambition for pupils to excel pervades all aspects of school life. The school values enrichment activities as much as the taught curriculum. Pupils leave the school with the qualifications that give them the freedom and opportunity to access their chosen next steps in education or employment – Ofsted 2023

We are thrilled to be able to invite you and your child to our Sixth Form Open Evening on **Thursday 21st November**. This is your chance to experience first-hand what makes Huntington Sixth Form one of the most sought-after destinations for post-16 education in the community.

Our Sixth Form has consistently delivered exceptional results, empowering students to achieve their highest potential. Last year our students' hard work and dedication, combined with our tailored support, led to impressive outcomes which contributed to us being recognised in the **top 10% of all post-16 providers for student progress**. Whether aspiring to top universities, competitive apprenticeships, or other career pathways, our students have found the success they deserve.

During the evening, you will have the opportunity to tour the sixth form area and meet our dedicated team of teachers who are passionate about guiding students through a wide range of A-Levels and vocational courses, which are tailored to meet diverse interests and ambitions.

By attending, you'll gain valuable insights into our Sixth Form curriculum, hear from our current students and learn about our extensive enrichment programme, which includes leadership development, career focussed workshops and volunteering opportunities.

We strongly encourage you to join us for this event – missing it would mean missing out on the chance to see how Huntington School can support your aspirations and set the foundation for the next steps.

You can arrive anytime between 6pm and 8pm but in order to manage numbers we ask that you register for one of the information giving talks at either 6.10pm or 7.00pm. This can be done via the following link:
