

Live Lounge 2026

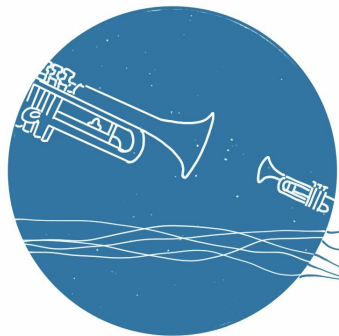

Welcome to Live Lounge 2026

We're thrilled to have you with us tonight for another great evening of live music making. Live Lounge has grown and grown since it's first version 15 years ago and it is the highlight of the Music Department year - we can't wait to share it with you!

As always, we couldn't be prouder of our students. High quality music making doesn't happen without dedication and the young performers you'll see tonight have shown remarkable commitment to the various bands and choirs throughout the year.

A huge thank you also goes to the parents, carers, and supporters of these fantastic young musicians. Your encouragement and investment in their music education truly pays off on nights like this - so sit back, enjoy, and celebrate their achievements with us!

Can you help us do even more?

We believe the Huntington Music Department is a special place. Some of the most memorable musical moments each week happen after the bell has gone - rehearsals that overrun (sorry), ensembles finding their sound, students discovering confidence, belonging and friendship through music-making.

Our co-curricular music programme is where this happens. Every week, students choose to sing, play, perform and even DJ in a wide range of ensembles that shape a big chunk of the cultural heartbeat of our school.

We are proud that these opportunities are open to all students, and that music here is something to be shared, not restricted.

The money from your ticket tonight help us keep these wide ranging opportunities open but if you are able to make an additional donation, you will be directly supporting the ambition, excitement and opportunity that define music at our school.

Tonight is a massive team effort ... so thank you to...

- The brilliant students who have done us so proud tonight.
- Parents, carers, friends and family who have come to support us.
- Mrs Rycroft, Mrs Stockill, Mr Burnage, Mr Wilson and Ms Breakwell for all their skill in directing and rehearsing these wonderful student ensembles.
- Mr Wilson, Mr Nash and the technical team for making us look and sound great.
- Huntington School Opportunities Trust for their continued support.
- Mrs Kettlewell, Mrs Horsley, Mrs Gill, the PTFA and all the Front of House team.
- Mrs Murray for her superb administrative support.
- The Site Team for all their support with the logistics for tonight.
