Headteacher's Message

Dear Parents and Carers,

As usual, these past few weeks at Huntington School have been full of reasons to celebrate, with our students once again demonstrating their talent, commitment and pride in representing the school.

Our Year 6 Open Evening was a tremendous success, and I would like to thank the many students who gave up their time to help showcase our school. Whether acting as guides, speaking to visitors or demonstrating in subject areas, they represented us brilliantly and did us proud. The positive feedback from prospective families was a testament to their enthusiasm, confidence and warmth.

There was also great excitement as auditions for our 2027 school musical, *We Will Rock You*, took place. The standard was exceptionally high, with so much talent on display across all year groups. We are already looking forward to seeing the production begin to take shape. If the auditions are anything to go by, audiences are in for a real treat.

Our sporting teams have also begun their fixtures for the season and have represented the school with determination, teamwork and excellent sportsmanship. A special mention must go to our Year 8 boys' football team, who secured an impressive 8-1 victory this week. Congratulations to all our teams on their results, and thank you to every student who has worn the school badge with pride.

As always, I am immensely proud of our students and the way they embrace every opportunity available to them. Their achievements in the classroom, on the stage and on the sports field continue to make our school community a source of great pride.

Warm regards,

Matt Smith

PAL Scores update and explainer

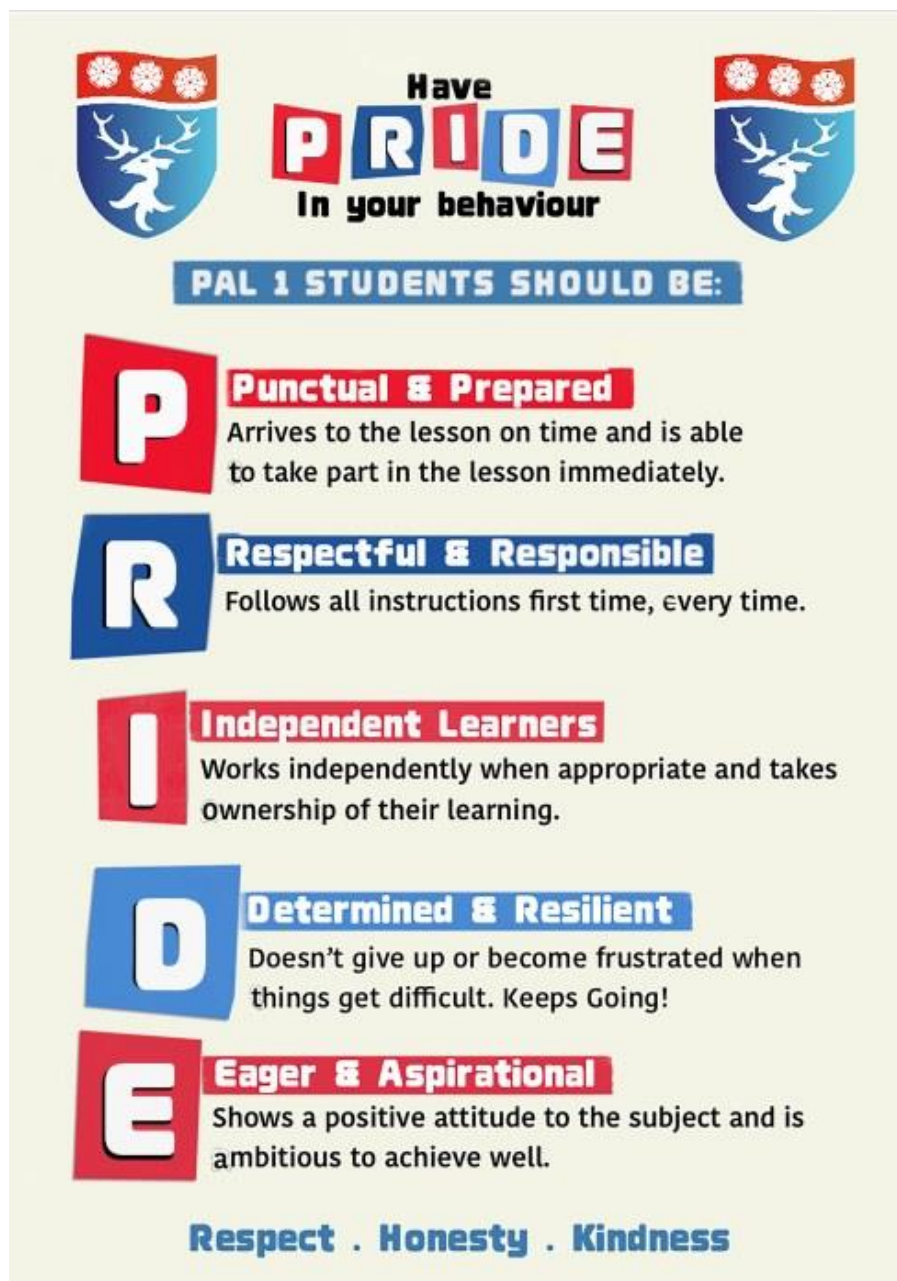

What are PAL scores?

Each Friday all children review their PAL scores from the week. PAL stands for **Positive Attitude to Learning**. All children who arrive to school/lesson on time start the lesson with the top PAL score - 1. If they demonstrate PRIDE during the lesson they will remain at the

top score. However, if they arrive late or fail to demonstrate PRIDE then the score will be increased up to PAL 4.

Over 93% of children across the school have an excellent PAL score - 1 - consistently throughout the week. Look in your child's planner to find their PAL score average each week and celebrate! Students will also receive positive merit points for high PAL scores which feeds into our rewards system.

We are working towards sharing our lesson by lesson PAL scores with parents as soon as we can - please bear with us.

The poster features a central title 'Have PRIDE In your behaviour' flanked by two identical school crests. Each crest is a shield with a red top section containing three white snowflakes and a blue bottom section containing a white reindeer. Below the title is a blue banner with the text 'PAL 1 STUDENTS SHOULD BE:'. The main body of the poster lists five traits, each with a large letter in a colored box: 'P' (Punctual & Prepared), 'R' (Respectful & Responsible), 'I' (Independent Learners), 'D' (Determined & Resilient), and 'E' (Eager & Aspirational). Each trait is followed by a brief description. At the bottom, the words 'Respect . Honesty . Kindness' are written in blue.

Have PRIDE In your behaviour

PAL 1 STUDENTS SHOULD BE:

- P** **Punctual & Prepared**
Arrives to the lesson on time and is able to take part in the lesson immediately.
- R** **Respectful & Responsible**
Follows all instructions first time, every time.
- I** **Independent Learners**
Works independently when appropriate and takes ownership of their learning.
- D** **Determined & Resilient**
Doesn't give up or become frustrated when things get difficult. Keeps Going!
- E** **Eager & Aspirational**
Shows a positive attitude to the subject and is ambitious to achieve well.

Respect . Honesty . Kindness

Bingo Night!

On Thursday 8th October the Friends hosted a Family Bingo Night to raise funds for the school and saw record attendance from families across the year groups. It was especially lovely to welcome new families and see them have fun and make new connections in the school community. Some fantastic prizes were claimed, but everyone left feeling like a winner after such a fun evening. Special thanks goes to our FABULOUS bingo callers Rhiannon and Keira in Y13, who gave up their time to host the event.

We look forward to hosting more events soon!

[Christmas Craft Fair Tuesday 1st December](#)

Don't forget that the Friends are hosting a **Christmas Fair on Tuesday 1st December at school, from 5-8pm**. We have over 30 professional stall holders signed up already for the event, and our very own Dress2Impress will be there too! We're sure you'll be able to make a decent dent in your Christmas shopping and you'll also be able to grab a bite to eat, as the Bistro Guy will be there serving hot food.

Raffle Prizes Plea! If you or anyone you know is able to donate raffle prizes from their company for this event, we would be extremely grateful, as we intend to hold a raffle draw on the night and this is another excellent fundraising opportunity for the school.

Thank you, and we hope to see you there on the 1st of December! Ho Ho Ho 😊

[Raising Money for Huntington School](#)

Just a reminder about a couple of ways you can easily help us raise money for the school, without having to make a direct donation:

Easyfundraising - thousands of retailers will donate to us whenever you shop with them. Start by going to the [easyfundraising website](#) or app, clicking where you want to shop and checking out - the prices are exactly the same and the retailer sends a percentage of your spend to us via easyfundraising.

Stikins Name Labels - avoid the lost property box by purchasing name labels for your child's belongings using the following link: <https://www.stikins.co.uk/?NAME-LABELS=10353> and when you do, we will receive 30% of the cost of your purchase! Our fundraising code is 10353.

Thank you so much for your support.

Pre-Loved Uniform

If you need a replacement item of uniform, just email the Friends of Huntington School at hs.ptfa@gmail.com to let us know what item and size of uniform you need and your child's name and form, and we'll let you know if we have it in stock. We can then arrange to leave it at main reception for you or your child to collect. If you'd like to donate to the pre-loved

uniform store afterwards, you can give an amount of your choosing by finding us under Fundraising on Wisepay.

You can also donate school jumpers, ties and branded PE kit by leaving it in the big plastic box outside main reception. We always wash donated uniform so it is in a good condition for the next child who wears it.

Please do not donate shirts, trousers or skirts as we cannot rehome these.

And to help your child's lost items finding their way back to them, don't forget you can use the Stikins labels mentioned above: www.stikins.co.uk. Please use our fundraising code 10353.

Thank you for helping to make our school sustainable and environmentally friendly!

Charity Day Friday 23rd October

Refugee Action York is our chosen charity of the year, voted on by students. RAY works with refugees, asylum seekers and migrants from within and around the City of York, providing a safe meeting point where people can seek information and support, learn new skills and languages and form lasting friendships.

We will begin fundraising with our first **Charity Day on Friday 23rd October**, where students can enjoy Staff Sumo in the sports hall, Open Mic in the drama studio and Film Club in the main hall. **This is also a non-uniform day**. You can make a donation using WisePay, (look in Fundraising), or send cash on the day.

Thank you in advance for your support in raising funds to support this fantastic charity.

Student Leadership Opportunities - all year groups

Following Open Evening, many of our students told us they would like more opportunities to get involved in school events and represent the school community. The form below includes a range of upcoming evening events where students can volunteer to help, for example by welcoming visitors, taking tickets, or serving refreshments. These opportunities are a great way for students to develop confidence, communication skills and a sense of responsibility while supporting the school.

Please complete the form to indicate whether you give consent for your child to take part in these events but please note that submitting this form does not guarantee participation in every event. After students have had the opportunity to volunteer, we will contact them and you separately to confirm whether your child has been selected to support a particular event.

Thank you for your support.

Student Parliament

This week, our newly elected **Student Parliament representatives** met for the first time. Each tutor group has selected representatives they believe will listen to and champion the views of their peers. Our fantastic Sixth Form **Senior Student Leaders** facilitated the discussions, helping students share their reflections on what has gone well so far this year and identify areas where they would like to see further improvements.

It was great to see such thoughtful contributions and enthusiastic engagement as students began shaping the agenda for the year ahead. Student voice plays a vital role in our school community, and we look forward to seeing the positive impact of their ideas.

World Teachers' Day - Sixth Form Community Ambassadors mark the occasion

Sixth Form Community Ambassadors Mark World Teachers' Day with School-Wide Thank You Campaign

Students in Huntington School Sixth Form marked World Teachers' Day by leading a school-wide campaign to thank staff for everything they do. Organised by the Community Ambassadors in PDP, the initiative saw every Sixth Form student write a personalised thank-you card to a member of staff.

The project was designed to recognise the hard work and commitment of both teaching and support staff. During PDP sessions and form time, students took time to reflect on the positive impact staff members have had on their school experience before writing their messages of appreciation.

The campaign reflected Huntington's values of Respect, Honesty and Kindness, with students expressing genuine gratitude to the people who support them every day. From subject teachers and tutors to office staff, site staff and teaching assistants, hundreds of cards were distributed across the school.

The project also highlighted the purpose of the Huntington Community Ambassadors programme, which encourages Sixth Form students to make a positive difference through leadership and service. By planning and delivering the campaign themselves, students demonstrated the programme's motto: "Lead with Purpose. Serve with Pride. Make a Difference."

The cards were delivered to staff to coincide with World Teachers' Day, helping to spread a little positivity and strengthen the sense of community that is such an important part of life at Huntington School.

Duke of Edinburgh Update

Some reminders for our DofE students, and updates on their progress.

Bronze DofE - Applications need to be in main reception by Monday 19th October.

Gold DofE - There is a launch meeting at 8.40am in the common room on Tuesday 20th October.

Silver DofE has started. Two year 12 teams had a great day walking in the Wolds area on Saturday 10th October. This was their first opportunity to test the navigational abilities that they have been working on in the classroom.

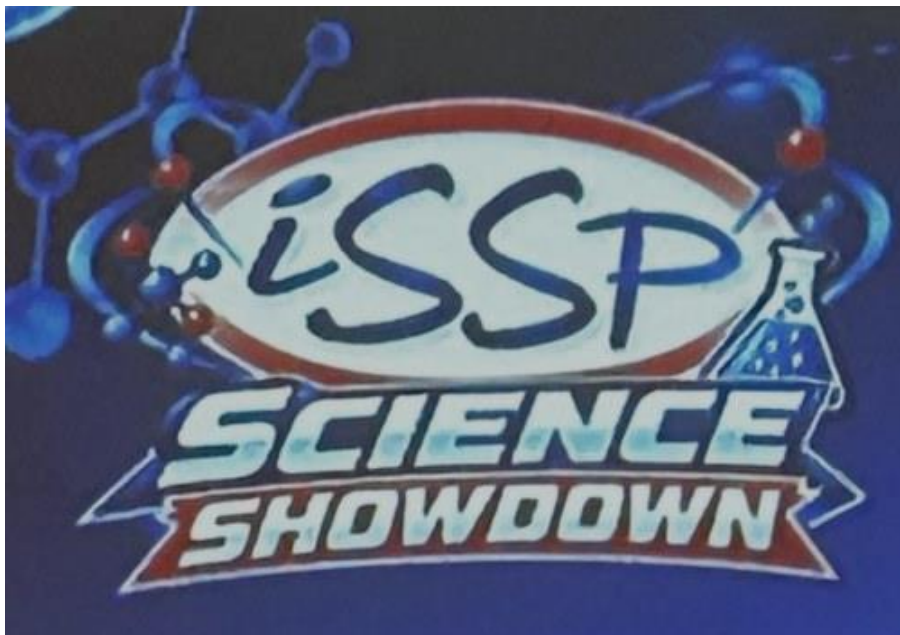

Mr Savory

ISSP Science Showdown

As part of the York Independent School State Partnership, Findlay, Hannah, Aleena, and Lewis attended the Science Showdown on Wednesday 14th October at Bootham School.

The competition was tough, but they managed to come second overall to Botham's first team. An excellent achievement.

York Interschools Chess Competition in November

York's six annual Interschools Chess Competition takes place this year from 11am-4.30pm on Sunday 15th November at Bootham senior school.

Now an established event in the York calendar, the competition encourages chess playing with its proven educational benefits, and often gives children who might not otherwise get to represent the school the opportunity.

This year's event is open to teams from any secondary or primary schools near York, state or independent. Huntington School is looking to send two teams of four to compete in this tournament. If you are interested, see Mr Buckley in Chess Club on Monday lunchtimes or Chess Masterclass on Tuesdays after school.

Prizes

The teams will play for the Ewan Cameron Chess Set (holders: Bootham School) and the Simon Benedictus cup (holders: Knavesmire) respectively, with loads of other prizes for everyone.

Thank you,

Mr Buckley

Year 9 Rugby

Great to see the Year 9 rugby team back in action against Joseph Rowntree School. It was a thrilling contest, with the lead changing hands multiple times throughout an action-packed game. The attacking rugby on display certainly outshone the defence, with an incredible 29 tries scored. In the end, Joseph Rowntree edged a remarkable encounter 15 tries to 14. Well done to our Y9 team, who represented the school brilliantly!

Where to lock up your bike at school

Just a reminder that if your child rides their bike to school, please could they make sure they lock their bike up in the bike shed, not leave it at the front of school against the railings - access is needed through these gates at all times in case of an emergency and we don't want to cut bike locks to be able to open the gates.

Many thanks for your cooperation.

Plea for empty sweet and biscuit tubs/boxes

The Food Technology department would be very grateful for any empty sweet or biscuit tubs/boxes or Tupperware. Please leave at reception for collection or students can bring to the Food Technology department.

Thank you
