Headteacher's Message

Dear Parents and Carers,

Welcome back to everyone following the half-term break. I hope families had an enjoyable and restful week and that students have returned refreshed and ready for the busy weeks ahead.

This week we have observed **Remembrance Day**. It was the focus of our assemblies last week, with the history team helping to prepare for the occasion by telling the students about the history of the event and why it is important. I also would like to thank all of our students who took part in, and showed such respect during, our Remembrance Day observance on Wednesday. It was, as always, a moving occasion and a fitting opportunity for our school community to reflect and pay tribute to those who have served and sacrificed. In particular, I would like to acknowledge Harry and Ella, whose beautiful renditions of the Last Post helped make the event especially poignant and memorable.

Looking ahead, a reminder that our **Sixth Form Open Evening** will take place on Thursday 19th November from 6pm until 8pm. Preparations are well underway, and it has been fantastic to see so many of our current sixth form students volunteering to support the event. Their willingness to give their time, share their experiences and showcase life in the sixth form is greatly appreciated, and I know they will be excellent ambassadors for our

school. If you have a child in Year 11 and haven't signed up yet, please do so by using this form: Sixth Form Open Evening

The Friends of Huntington School are also holding a **Christmas Craft Fair on Tuesday 1st December 5-8pm**. We have a variety of local businesses attending, so you can get ahead with your Christmas shopping. The Friends are also holding a raffle on the day with some fantastic prizes - follow this link to buy your tickets: Huntington School Christmas Raffle.

We look forward to welcoming prospective students and their families next week and to another productive and successful half term ahead.

Warm regards,

Matt Smith

Headteacher

Dates for the Diary

Our quick reference guide on key dates is available to view on our Website via the link below:

Huntington School Calendar

Please note these dates are subject to change.

Dates to note for November and December are as follows:

NOVEMBER

Mon 2nd: School opens

w/c 16th: Y11 mock exams and Y13 partial mock exams

Thur 19th: Sixth Form Open Evening

w/c 23rd: Y11 subject mock exams

DECEMBER

Thur 3rd: Battle of the Bands

Fri 4th: Non-uniform day and food bank collection

Tues 8th: Y11 Revision Preparation Evening - online

Tues 15th: Sixth Form Pantomime public performance

Wed 16th: Y11 Parents' Evening - in person

Fri 18th: School closes for Christmas holidays at 12.15

Who to Contact in School and when to expect a response

We sent you a letter recently containing contact details of members of staff you may need to get in touch with regarding your child: form tutors and the pastoral team, as well as other key points of contact.

We will always endeavour to respond as quickly as we can, but if calling the school or emailing, you should expect a response from the relevant member of staff within **two working days**. To protect colleagues' wellbeing, we do not expect them to check or respond to emails when they are not at work.

You can see the letter containing the contact details here: Who to contact in school 26-27.pdf

Please not that a couple of Heads of Department were missing from the letter sent last week, but have now been added.

Many thanks.

Flu Vaccinations Catch up

Just a reminder of the community flu vaccine catch-up clinics for any students who would prefer not to be vaccinated in school or were not vaccinated during the team's visits. This is

a bookable system so if you wish to attend a clinic you should ring them in the first instance on the number below.

Sherburn Old Girls school LS25 6BL Friday 20th November 15.30pm - 17.30pm

Tadcaster Library LS24 9JG Monday 16th November 15.30pm - 17.30pm

The Avenues Tang Hall YO31 0UT Friday 6th November 15.30pm - 17.30pm Monday 7th December 15.30pm - 17.30pm

York Fire station YO10 4AH Friday 16th October 15.30pm - 17.30pm Friday 27th November 15.30pm - 17.30pm Thursday 10th December 15.30pm - 17.30pm

Please use the link to book your timeslot at your chosen location

https://www.manage-vaccinations-in-schools.nhs.uk/bookings/1000199/flu/start

If you have any questions you can contact the team by email: york@vaccinationuk.co.uk or by phone: 01904 237680

Friends of Huntington School PTFA

Christmas Craft Fair Tuesday 1st December - Raffle Tickets on sale now!

We're hoping that you have the Christmas Craft Fair is in your diaries already, but we are excited to let you know that our raffle is now open and you can buy your tickets here: Huntington School Christmas Raffle. This is an excellent fundraising opportunity for the school, so we really appreciate your support. The raffle will be drawn at the fair, but we will contact winners separately too.

The **Christmas Craft Fair is on Tuesday 1st December at school, from 5-8pm**. You can enter through student reception and the 30+ professional stall holders (including Dress2Impress!) will be based in the drama studios and sixth form common room. We're sure you'll be able to make a decent dent in your Christmas shopping and you'll also be able to grab a bite to eat, as the Bistro Guy will be there serving hot food.

Raffle Prizes Plea! We are still on the look out for even more raffle prizes so if you or anyone you know is able to donate raffle prizes from their company for this event, we would be extremely grateful.

Thank you, and we look forward to seeing you there on the 1st of December! Ho Ho Ho 🙂

Raising Money for Huntington School

Just a reminder about a couple of ways you can easily help us raise money for the school, without having to make a direct donation:

Easyfundraising - thousands of retailers will donate to us whenever you shop with them. Start by going to the easyfundraising website or app, clicking where you want to shop and checking out - the prices are exactly the same and the retailer sends a percentage of your spend to us via easyfundraising.

Stikins Name Labels - avoid the lost property box by purchasing name labels for your child's belongings using the following link: https://www.stikins.co.uk/?NAME-LABELS=10353 and when you do, we will receive 30% of the cost of your purchase! Our fundraising code is 10353.

Thank you so much for your support.

Friends of Huntington School

1 - Fundraising code 10353.

PAL Perfect Party!

On the last day of half term we held the very first PAL Party! Almost 350 students from Years 7-11 gathered in the main hall for the celebration. Every single one of them reached half-term with a Perfect PAL 1 score, meaning they had achieved PAL 1 in every lesson since the start of term, and we wanted to make sure they were rewarded for their efforts.

Mr Smith congratulated the students and led a fantastic celebration, featuring chocolates flying across the hall, even more chocolates hidden in a lively treasure hunt, early access to lunch, the best seats at the SUMO tournament, and a live prize draw, with many lucky students winning £10 Amazon vouchers! Every student also received a certificate and some treats to enjoy.

This half term we start again, giving everyone the chance to earn their place at the next PAL Party. Just keep your scores at PAL 1, and you'll be invited!

Attendance Update - Random Attendance Day!

RANDOM ATTENDANCE DAY!

You may remember a day was picked at random in the last week before half term and then a student from each year group attending school that day picked at random to receive a prize...

Well now we can announce that the random day was **TUESDAY 20TH OCTOBER** and the lucky students who were literally in it to win it are as follows:

Alex B 7JLD

Toby H 8DLT

Freya W 9TXB

Edward C 10 JES

Theo J 11EAW

Well done to them!

Watch this space for the next event....

Miss Roworth (Attendance Lead) and the Attendance Team

E-Scooter Enforcement and Safety Warning from the police

Illegal. Dangerous. Costly.

We are continuing to receive reports from members of the public regarding young people riding e-scooters recklessly in and around York.

In recent weeks, neighbourhood officers have stopped a number of young people using e-scooters in public places, with some been seized. Reports include riders travelling at speed through busy pedestrian areas, using pavements, and riding in a manner that puts both themselves and others at risk.

What does the law say?

Many people are unaware that privately owned e-scooters cannot be legally used on public roads, pavements, cycle lanes, parks or other public places. They may only be used on private land with the permission of the landowner.

Riders found using them unlawfully may be liable for enforcement action, including fines, penalty points and the seizure of the e-scooter.

While some areas of England operate government-approved rental e-scooter trials, there are no rental e-scooter schemes operating in the York area. This means that if you see an e-scooter being ridden in public in York, it is being used illegally.

Thinking Ahead to Christmas?

Before purchasing an e-scooter for yourself or as a Christmas present for a child or young person, we would urge you to consider the legal implications.

An e-scooter may seem like an exciting gift, but in reality, it could become an expensive and disappointing mistake. As there are no authorised rental schemes in York, a privately owned e-scooter cannot be legally ridden in public. If it is used unlawfully, police may take enforcement action, and the scooter could be seized.

Why Are We Concerned?

E-scooters can cause serious injury to riders, pedestrians and other road users, particularly when they are:

- Ridden on pavements or in pedestrianised areas.
- Used at excessive speeds.
- Ridden without due care and attention.
- Carrying passengers.
- Used without regard for road traffic laws.

A collision involving an e-scooter can have life-changing consequences for both the rider and innocent members of the public.

Please speak to your children about the law and the risks associated with e-scooter use. What may appear to be harmless fun can quickly result in injury, police involvement, fines, or the loss of an expensive e-scooter.

Let's keep York safe for everyone. 🚘

North Yorkshire Police

Lost items - please label your child's belongings

Just a reminder to make sure all your child's belongings are labelled with their name - especially water bottles, school jumpers and PE kit. These items are not only essential to carry in school, but expensive to replace, and we hate to see students losing them and being unable to trace them back.

Don't forget you can purchase **Stikins name labels** at https://www.stikins.co.uk/?NAME-LABELS=10353 to label clothes as well as other items. The school receives 30% of the cost of your purchase, so you can support our fundraising efforts at the same time as saving your valuable belongings! **Our fundraising code is 10353**.

Thank you for your support with this.

Belonging Survey - Have your say

You will have received an letter this week via Class Charts inviting you to take part in a survey about your child's experience and wellbeing in school. A key focus of our current work is developing the students' sense of belonging and ensuring that every young person feels included, valued and and supported in school. The students will be invited to fill out a survey about their experiences, but your views as a parent/carer are also invaluable in helping us achieve this, so we would be very grateful if you could spare 5 minutes to complete this survey:

Belonging Survey

Charity Day for Refugee Action York

On the last day of Autumn 1 we had our first charity day to raise money for RAY - Refugee Action York.

As always it was an action packed day and lots of fun. Lunchtime was the highlight, with the traditional Staff Sumo Tournament taking centre stage. The stakes were high. After last

year’s first-ever defeat of Mr Hardwell, expectations were astronomical. Could Mr Hardwell reclaim his title, or would the reigning champion hold on to the trophy once again? It was a hard-fought contest, but Mr Cleverly emerged victorious once again. To show just how important this event is becoming, for the first time ever the tournament was streamed live to three different halls across the school, allowing everyone to witness the action!

Meanwhile, over in the Drama Department, things were much calmer with another fantastic edition of Open Mic. This year, dancing was added to the programme, and the room was packed with talented singers and dancers. It was an exceptionally fun event, enjoyed by all.

Thank you to all students who participated and donated, and to all staff who supported and helped organise the different events.

National Language Competition - Year 9

On His Majesty's Secret Service - calling Year 9!

GCHQ, one of the three intelligence agencies of the UK, is running their annual National Language Competition from **16th to 20th November.** Teams of up to four students from Year 9 are able to compete against other young people across the UK, cracking codes and solving language-based puzzles, aiming to win a trophy and a visit to GCHQ headquarters. Previous

participants have really enjoyed the fun challenge, and many of our teams have done very well indeed!

Could this be the year we win...?

Students can get more information from their language teachers or Mrs Sketchley, Head of Modern Foreign Languages

Primary Transition Side-by-Side Music Event

On Wednesday 21st October we welcomed (mainly) Year 6 instrumentalists from Robert Wilkinson Primary, Haxby Road and Stockton on the Forest to join in a musical workshop alongside our very own Little Band, String Group and Panto Band.

Initially, we gave a short performance of the Boo Radley's 'Wake Up Boo' and Blur's 'Country House' (part of our 90s set in preparation for the year's Live Lounge) and then settled the primary pupils in amongst the band ready to join in with their instruments.

We had lots of fun investigating which members of the Huntington bands attended the visiting primary schools, introducing different types of instruments and ultimately rehearsing various sections of Blur's Country House together. Huntington students demonstrated our school values brilliantly, ensuring that the primary pupils were made to feel safe and welcome, and happy to play alongside them.

A great afternoon was had by all involved, culminating in an excellent rendition of Country House.

The Sixth Form celebrates Halloween in Style!

Friday 23rd October, the last day before half term, saw the traditional Sixth Form Halloween celebration - where everyone in Y12 and Y13 dressed up in Halloween costumes and had a celebration of the event in assembly. There were plenty of fantastic outfits on display as usual, both individual and group efforts. Here are a few for you to check out...

GCSE Geography Field Trips

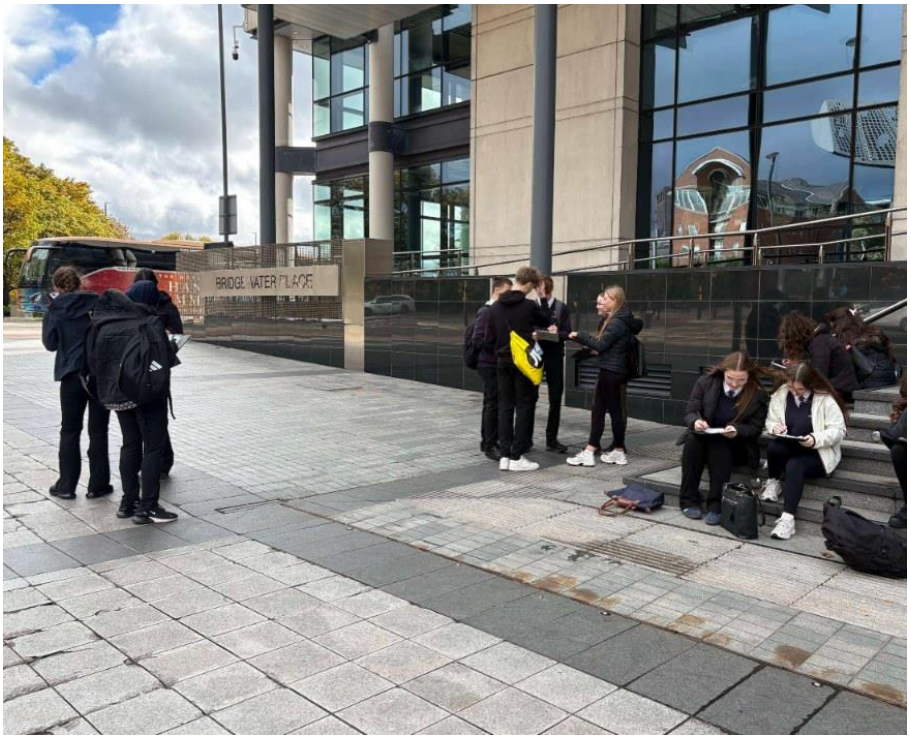

Before half term the GCSE Geographers embarked on two fieldtrips in preparation for their exams in the summer. The first was a soggy fieldtrip to Hornsea on the east coast to find out whether the sea defences were effective. They learned how to measure the sediment on each side of the groyne, and how to carry out an environment quality survey to help them to reach a conclusion. Despite the damp weather, spirits were high and some super data was collected which they have been able to use in the classroom.

Their second trip was to the South Bank area of Leeds to decide how effectively this area of Leeds has been regenerated. They carried out some specific human data collection methods and have been able to conclude that whilst some areas of Leeds have been regenerated really well, others still have some way to go. It made for a very busy week but the students were exemplary and had two really good days learning in the outdoor classroom.

Mrs McPherson, Head of Geography

BRIDGEWATER PLACE

Sixth Form Art trip to the Laing Art Gallery

Last week, Sixth Form artists attended the National Gallery's Articulation workshop at the @LaingArtGallery in Newcastle. The aim was to develop confidence in public speaking and presentation. We had to work with 2 other schools and present a 10-minute talk about a given artwork in the gallery and in front of the artwork; students were then given immediate feedback from an associate professor at Northumbria University. They all agreed they were nervous, but putting themselves out of their comfort zone was really helpful, and they were glad they did it. They all received glowing feedback! It was wonderful to see.

habitants it would soon be supplied with pictures and statuary for the encouragement
nd development of British Art".
Alexander Laing (1828-1905)

York Independent State School Partnership (ISSP)

York Independent State School Partnership (ISSP)

We are really fortunate in York to have a fantastic partnership across 9 state and 3 independent schools in the city. Our partnership has been established for nearly 20 years and over time has expanded to include a wide range of events and opportunities for pupils in York. Mrs Newport coordinates ISSP events for Huntington School and is also the Chair of the ISSP's Operational Steering Group. Last week she attended the School Partnership's Alliance conference at King's College School, Wimbledon where she met many other representatives from school partnerships. A lot of cities look to York to emulate our successful partnership model and the opportunities it can offer for our pupils. Watch this space for more details about upcoming events as they are publicised.

Year 7 Breakthrough and Introduction to the York Independent State School Partnership (ISSP)

A group of Year 7s went to Bootham School where they listened to a variety of speakers talking about what they perceived to be the greatest historical breakthroughs of all time. Our pupils were put in teams with children from nine different schools across York. They introduced themselves and quickly got to know the pupils with whom they had discussions. They had to discuss and agree on whether the printed word, aqueducts, numbers or bicycles (presented by our very own Mr Savory!) were the greatest invention of all time. The pupils asked questions to the speakers and worked as a team to reach a decision. Our Huntington

pupils were great company, they represented the school excellently and were a real credit to themselves.

Mrs Newport and Mr Savory

EVOLUTION OF BICYCLE
ISSP

Sporting Update

Sixth Form Karate Success

Harrison of Year 12 has recently taken part in the Karate Association's national championships in Grantham. He won a silver medal in the male cadet kumite, only losing in the final to the world ranked #2 competitor.

A wonderful achievement Harrison!

Year 9 Karate Success

Year 9 student Lewis S recently competed at the World Karate Championships in Brazil, taking part in four categories and returning home with an incredible 1 Gold and 2 Bronze medals. As if that wasn't impressive enough, Lewis followed up his international success by becoming the English Champion last weekend. A fantastic achievement.

Congratulations Lewis on your outstanding success both on the world stage and here at home!

Bike parking - please avoid school gates

The site team would like to give a further reminder that if your child rides their bike to school, please could they make sure they lock their bike up in the bike shed, **not leave it at the front of school against the railings** - access is needed through these gates at all times in case of an emergency and they don't want to cut bike locks to be able to open the gates. We are continuing to have difficulty with gaining access through the gates due to bikes being parked irresponsibly.

Many thanks for your cooperation.

Plea for empty sweet and biscuit tubs/boxes

The Food Technology department would be very grateful for any empty sweet or biscuit tubs/boxes or Tupperware. Please leave at reception for collection or students can bring to the Food Technology department.

Thank you

Mr G Littlewood

Plea for used trainers - PE department

When your child grows out of their trainers, and if you have no further use for them, the PE department would be very grateful for them to use as spares. If you can, please bring them to main reception in a bag and hand in.

Thank you

The PE team

Celebrating your child's achievements

We love to hear about your children's achievements out of school, so if you have anything to share, please use the email address celebrate@huntington-ed.org.uk. **If this email didn't work for you previously, the issue has now been fixed.**

Please also let us know in the email if you give permission for your child's name (either just first name or both first and last names) to be shared in the newsletter and/or on Facebook, and if you attach any photos, whether you give permission for these to be published in the newsletter and/or on Facebook.

Thank you 😍

Pre-Loved Uniform

If you need a replacement item of uniform, just email the Friends of Huntington School at hs.ptfa@gmail.com to let us know what item and size of uniform you need and your child's name and form, and we'll let you know if we have it in stock. We can then arrange to leave it at main reception for you or your child to collect. If you'd like to donate to the pre-loved uniform store afterwards, you can give an amount of your choosing by finding us under Fundraising on Wisepay.

You can also donate school jumpers, ties and branded PE kit by leaving it in the big plastic box outside main reception. We always wash donated uniform so it is in a good condition for the next child who wears it.

Please do not donate shirts, trousers or skirts as we cannot rehome these.

And to help your child's lost items finding their way back to them, don't forget you can use the Stikins labels mentioned above: www.stikins.co.uk. Please use our fundraising code 10353.

Thank you for helping to make our school sustainable and environmentally friendly!

Friends of Huntington School

Meet our new SEND Reintegration Officer, Mrs Langstaff

Hello, my name is Becky and I am the SEND Reintegration Officer at Huntington Secondary School.

My role is to support students with SEND to engage positively with their education and to help overcome any barriers they may be experiencing.

I work closely with families and other professionals to ensure that students receive the support they need to succeed. I am also a point of contact for families and welcome you to get in touch if you have any questions, concerns or would simply like to discuss your child's educational journey.

I look forward to meeting and working with you!

Mrs Becky Langstaff

SEND Reintegration Officer

Courses delivered by
BRIGHT SPARKS
Fully funded by
City of York Council

Wellbeing in Mind webinars

Free online courses: Togetherness and Signposting Family Support

Developed by NHS clinical psychologists alongside parents and practitioners, **Togetherness** offers trusted, evidence-based online courses to help families better understand and support emotional wellbeing in everyday life. York residents can access a personalised page at Home - Togetherness, featuring a wide range of flexible learning pathways, including:

- Understanding your child from toddler to teenager
- Understanding your child with additional needs
- Understanding your teenager's brain
- Understanding your own adolescence (for teens and pre-teens)

Courses are available for all ages – from pregnancy through to 19 years – and are designed to strengthen family relationships, support child development, and improve emotional health. All courses are free for York residents using the access code: RAISE.

Signposting Family Support

[Welcome to Raise York – Raise York]

The website contains links of local and national support available which families can access without professional referrals.

Out of Hours Concerns

SAFEGUARDING AND OUT OF HOURS CONCERNS

If you are concerned about a young person you must contact M.A.S.H. (Multi Agency Safeguarding Hub Team) which is the single point of contact for all concerns about children. It there are immediate concerns about the safety of a child, you should contact North Yorkshire Police on 999.

Contact MASH Monday to Friday, 8.30am to 5.00pm:

- telephone - 01904 551900
- email - **mash@york.gov.uk**
